# Provider Bulletin: News & Updates on the Louisiana Medicaid Provider Portal

The purpose of this communication is to inform you that the Louisiana Department of Health has issued Provider Bulletin, News and Updates on the Louisiana Medicaid Provider Portal, on February 11, 2019.

The Provider Bulletin was developed to answer questions and address concerns providers may have regarding Medicaid's new enrollment and eligibility system. We would like to encourage our providers to review the Provider Bulletin by visiting the following link:
