

PROVIDER NOTICE:

SUBJECT: Operational Workforce Planning – The Center for Evidence to Practice

The Center for Evidence to Practice offers a 5-part video series as training materials for Operational Workforce Planning. This series is suited for both existing crisis response providers, as well as those seeking to be a part of the Louisiana Crisis Response System.

LIST OF RECORDED SESSIONS

Session #1: Workforce Culture Building

Do you have thoughts on your ideal organizational culture? This session is designed to go over steps that'll help your agency get there!

Session #2: Getting the Right People

How can your agency get the right people to provide crisis response services? This session is designed to provide tips on marketing, interviewing, and hiring the right crisis response providers!

Session #3: Onboarding

This session is designed to provide tips to agencies regarding onboarding staff to ensure a smooth introduction to, and start with, the agency.

Session #4: Keeping the Staff

This session will offer considerations regarding workforce retention.

Session #5: Supervision and Coaching

Supervision and coaching needs for staff are more than compliance. It can have a profound impact on employee morale, retention, and efficacy in crisis response. This session is designed to provide practical considerations related to supervision and coaching staff at your agency.
