

Provider Notice

Subject: Request for Application (RFA), Early Childhood Supports and Services, Region 1

We are seeking qualified providers to deliver Early Childhood Supports and Services (ECSS) in Region 1 and invite you to review the attached Request for Application (RFA). ECSS supports young children with developmental delays or disabilities and their families through individualized services designed to promote school readiness and positive developmental outcomes.

This opportunity is ideal for organizations with experience in early childhood education, special education, and family-centered service delivery. Providers selected through this process will play a critical role in ensuring high-quality, accessible services for children and families across the region.

Click [here](#) to **READ** and **DOWNLOAD** the RFA.

Please be sure to read the entire RFA before responding.

Responses should be submitted to Mark Broussard, Sr. Provider Relations Manager, at msbroussard@magellanhealth.com no later than June 17, 2026. Mark is also available to address any questions regarding this opportunity.
