

## Provider Notice:

### To all contracted SUD network providers:

OBH is conducting a **staffing and expense survey** for all SUD providers participating in Louisiana's Medicaid program and providing covered residential and outpatient SUD services. OBH requests that all providers contracted to provide Medicaid SUD services complete the provider survey. The collection of this information is part of a larger SUD rate review project by the OBH in collaboration with the state's contract actuarial services vendor, Milliman.

The analysis of the provider survey data and additional stakeholder input will review the implementation of the currently adopted ASAM Criteria, 3<sup>rd</sup> edition and consider the transition to ASAM Criteria, 4<sup>th</sup> edition. The review will include ASAM-suggested changes by level of care for levels with significant changes that are pertinent to rate development for potential future adoption.

Information collected through this survey will be used to understand the staffing, wage, and other provider resource requirements that would be associated with delivering SUD services that align with the ASAM Criteria, 4<sup>th</sup> edition in Louisiana. Please submit one Staffing and Expense Survey for each provider tax identification number (TIN) and include information associated with all SUD services and levels of care.

To access the survey and training materials, visit the LDH/OBH website [here](#) and go to the **Provider Survey** section. The survey is available for download on the website, along with several instructional and training materials to assist in completing the survey. The website has a Q&A tracking document that will be updated as providers submit additional questions. Please refer to these materials to assist in completing the survey.

LDH is requesting your full participation in this important endeavor and appreciates your time and support. If you have any questions about the process or the survey tool, after reviewing the available training materials on the LDH [website](#), please send them to [LA.IRM.Feedback@milliman.com](mailto:LA.IRM.Feedback@milliman.com).

Please return the completed survey to [LA.IRM.Feedback@milliman.com](mailto:LA.IRM.Feedback@milliman.com) by **July 15, 2024**.

This communication is posted on the Magellan of Louisiana website.
