

Provider Notice

Subject: Parent-Child Interaction Therapy (PCIT) Informational Webinar

The Center for Evidence to Practice (Center for E2P) has written this Request for Applications (RFA) to inform behavioral health practitioners in Louisiana who are equipped to successfully participate in Parent-Child Interaction Therapy (PCIT) Training.

Due to the identified need for Medicaid behavioral health services specific to children and their caregivers, PCIT has been selected by the Office of Behavioral Health (OBH) as a evidence-based practice that will be expanded statewide.

The Center for Evidence to Practice will host and record an [Informational Webinar on PCIT](#). This webinar will be led by trainers Dr. Ashley Scudder, Ph.D., and Dr. Cheryl McNeil, Ph.D., and it will allow attendees to learn more about the modality and application process. A question and answer (Q&A) session will follow. It is ***strongly encouraged*** for those who are interested in applying for this training to attend this webinar. If you are interested in applying but cannot attend the webinar, it will be recorded, and the Q&A session will be summarized.

Registration and event dates on following page.

PARENT-CHILD INTERACTION THERAPY (PCIT)
Informational Webinar

TUESDAY, DECEMBER 3, 2024
12:00PM-1:00PM CST

Click  HERE to register!

What is PCIT?
 An AGENCY-BASED evidence-based behavior parent training treatment for young children with **emotional and behavioral disorders** that emphasizes on improving the quality of the parent-child relationship and changing parent-child interaction patterns.

Did You Know?
 PCIT strengthens parent-child bonds and reduces child welfare cases, offering an \$18 return for every \$1 invested.

CE Opportunity for Counselors and Social Workers!
