Procedure Code Modifier Utilization Listing

Accepted Procedure Code Modifiers for Claims and Encounters

Louisiana Medicaid has received several provider inquiries regarding modifier utilization. This Informational Bulletin serves to preemptively address inquiries related to procedure code modifiers. For those modifiers where reference or guidance is not included within an established Louisiana Medicaid Provider Manual, providers should refer to the individual managed care plan for policies/guidance related to modifier application in order to assure proper reimbursement. An updated listing of accepted modifiers for claims and encounters can be found on [IB24-43.pdf](#)
