

PROVIDER NOTICE:

PCIT for Older Children Informational Webinar & Networking Call

This PCIT for Older Children Informational Webinar & Networking Call will take place on Friday, April 11, 2025, from 11:30 am-1:00 pm. The purpose of this call will be to network with fellow PCIT clinicians and learn about an upcoming advanced PCIT training opportunity.

This advanced PCIT training opportunity will be an adaptation of Parent-Child Interaction Therapy (PCIT) for older children between the ages of 7 and 10 years. This program involves live coaching of caregivers while they interact with their school-aged children. An overview of the research, conceptual framework, and procedures will be provided with particular emphasis on ways that the older child protocol deviates from standard PCIT. Participants will learn the adapted goal criteria for Child-Directed Interaction, developmentally appropriate activities for coaching sessions, the hands-off time-out procedures in adapted Parent-Directed Interaction (e.g., “big ignore,” time-out acceptance chart, suspension of privilege), strategies for engaging the child through individual therapy, and techniques for encouraging emotion regulation in the caregiver and child.

Training Acceptance Criteria:

- PCIT Trained AND/OR PCIT Certified Clinicians
- Those who serve Medicaid-insured individuals
- Provide clinical therapy services to children and their caregivers in Louisiana
- Licensed (or actively working towards licensure)
- Actively (currently) treating children and their caregivers.

There will be no cost to agencies for the training itself; however, agencies must financially commit to the time and effort required to successfully complete the **full training day on Thursday, May 29, 2025, from 9:00 am - 4:30 pm.**

This is a CE-eligible training opportunity for those who meet the time requirements as outlined in our training expectations & guidelines: <https://laevidencetopractice.com/wp-content/uploads/2024/10/Exp>

If you have any questions, please reach out to the Center (EvidenceToPractice@lsuhsc.edu) for more details.
